OUR SCHOOL VISION, MISSION, AND BELIEF

Hassna Fattal

**Principal,
Canada Knowledge Academy**

**Administrator and Coordinator,
Ecole Ibn Batouta**

With great joy and pride, we present end of the year issue of our school newsletter. And it is such a great honour and blessing to be a principal and a certified teacher in a bilingual Islamic school! Our vision is that each student is unique and deserves a nurturing learning environment, a comprehensive tool-set, and a solid support system all working together to ensure academic success.

Our mission is to create a path for students to become self-reliant citizens with meaningful contributions to local and global societies, equipped with our Islamic values.

Our belief is that parents are the first and most important educators in a child's life. Their enthusiasm, support and cooperation are what empowers us to facilitate the learning of their children and reach their full potential.

In this issue, we will present a glimpse of the school events, students' achievements and our future plans.

Our School Achievements in 2023:

- Provided bus service to Barrhaven and Findlay Creek areas
- Installed surveillance cameras
- Introduced Chromebooks to our classes
- Renovated water fountains and washrooms
- Opened new classes and hired more teachers
- Added more Arabic classes
